

KEY BENEFITS SUMMARY

- Protects membranes
- Drainage medium
- Easy to apply
- Environmentally friendly
- Excellent compression recovery
- Flexible

PRODUCT INFORMATION

DESCRIPTION

TREMBlock[®]700/5 is a recycled rubber mat designed to protect waterproof membrane when back filled. Manufactured by the "log & peel" process, this guarantees consistent density & thickness for every roll. TREMBlock 700/5 provides superior qualities of slip resistance, foot and leg anti-fatigue, durability and versatility.

USAGE/PURPOSE

- Backfilling Protection
- Filter fabric
- Acoustic reduction
- Vibration reduction

PACK SIZE

10m roll

PRODUCT CODE

220224

COLOUR

Black

TECHNICAL INFORMATION

Material	Polymerically bound recycled rubber
Density	900kg/m ³
Thickness	10mm
Length of roll	10m
Width of roll	1.2 wide only

USAGE GUIDELINES

METHOD OF APPLICATION

TREMBlock 700/5 is supplied in precut rolls. Roll TREMBlock 700/5 out over horizontal surface and cut to length. TREMBlock 700/5 can be loose laid or glued. If loose laying, care should be taken when applying backfill so as not to move the TREMBlock 700/5.

STORAGE

Store in dry conditions

HEALTH & SAFETY PRECAUTIONS

The Material Safety Data Sheet (MSDS) must be read and understood prior to use.

TECHNICAL SERVICE

TREMCO has a team of qualified Technical Sales Representatives who provide assistance in the selection and specification of products. For more detailed information or service and advice, call Customer Service on (02) 9638 2755 or fax (02) 9638 2955.

GUARANTEE/WARRANTY

TREMCO products are manufactured to rigid standards of quality. Any product which has been applied (a) in accordance with TREMCO written instructions and (b) in any application recommended by TREMCO, but which is proved to be defective, will be replaced free of charge. Any information provided by TREMCO in this document in relation to TREMCO's goods or their use is given in good faith and is believed by TREMCO to be appropriate and reliable. However, the information is provided as a guide only, as the actual use and application will vary with application conditions which are beyond our control. TREMCO makes no representation, guarantee or warranty relating to the accuracy or reliability of the information and assumes no obligation or liability in connection with the information. To the extent permitted by law, all warranties, expressed or implied are excluded.
