

PRODUCT DESCRIPTION

230mm wide, solvent resistant 20mm nap Roller Sleeve and threaded handle 230mm wide Roller Frame for use in conjunction with Tremco membranes and coatings.

SHELF LIFE

Unlimited.

STORAGE

Store in a dry place in original unopened packaging.

LIMITATIONS

Discard Roller sleeve after membrane/coating has cured on it to avoid cured bits being dispersed into the next day's work as a contaminate.

TECHNICAL SERVICE

TREMCO has a team of Representatives who provide assistance in the selection and specification of products. For more detailed information or service and advice, call Customer Service on (02) 9638 2755 or fax (02) 9638 2955.

GUARANTEE/WARRANTY

TREMCO products are manufactured to rigid standards of quality. Any product which has been applied (a) in accordance with TREMCO written instructions and (b) in any application recommended by TREMCO, but which is proved to be defective, will be replaced free of charge.

Any information provided by TREMCO in this document in relation to TREMCO's goods or their use is given in good faith and is believed by TREMCO to be appropriate and reliable. However, the information is provided as a guide only, as the actual use and application will vary with application conditions which are beyond our control. TREMCO makes no representation, guarantee or warranty relating to the accuracy or reliability of the information and assumes no obligation or liability in connection with the information. To the extent permitted by law, all warranties, expressed or implied are excluded.
