INTRODUCING TREMCO CONSTRUCTION PRODUCTS GROUP

A world leading supplier of building envelope solutions

At Tremco Construction Products Group (CPG), we understand that true success in construction goes beyond using the right products. It is about combining skill, knowledge, and expertise to apply those products in the most effective way possible.

Innovation That Shapes the Future
We are dedicated to driving the construction industry forward with innovative solutions and sustainable approaches. Our extensive range of high-performance products provides the tools you need to create structures that are not only easier to build and maintain but also withstand the toughest challenges.

A Comprehensive Suite of Solutions
From joint sealing, façade bonding, and insulation to passive fire protection, performance resin flooring, waterproofing, and roofing solutions, our broad product portfolio enables us to address even the most complex construction challenges.

Why Partner with Tremco CPG?
Our expertise spans a wide variety of advanced product technologies, designed to help you engineer buildings that are:

- More efficient to construct and maintain.
- Resilient against extreme weather conditions.
- Versatile with customizable finishes to meet aesthetic and functional needs.

Trusted Brands, Proven Results
With industry-leading brands like Tremco, Dryvit, Willseal, Flowcrete, illbruck, Nullifire, Vandex, and Euclid Chemical, we're proud to deliver solutions you can trust. Join architects, contractors, developers, and tradespeople around the world in choosing Tremco CPG as your partner to tackle the challenges of modern construction. Together, we'll shape a more sustainable and innovative built environment.

A FULL RANGE OF

SOLUTIONS

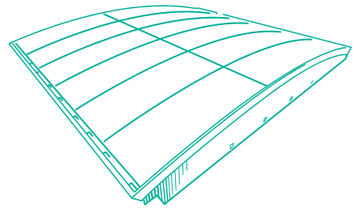

We are uniquely positioned to provide single-source products, services and solutions.

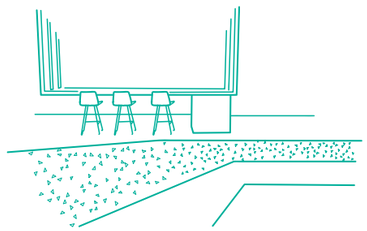

SEALANTS, GLAZING & FAÇADES

No single glazing system can solve every application. For this reason, Tremco is the only single source supplier offering a comprehensive line of glazing sealants, tapes and more.

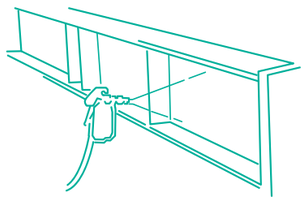

WATERPROOFING

A comprehensive range of waterproofing solutions designed to protect the building structure and internal assets from the damaging effects of water ingress.

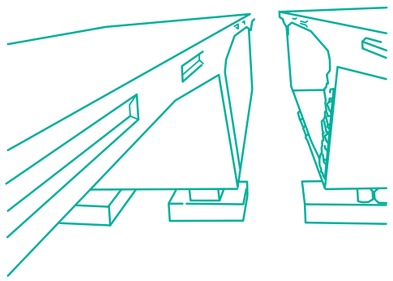

RESINOUS FLOORING

We have been supplying world-class seamless flooring solutions; from innovative industrial and commercial resin flooring through to cementitious floor screeds and fast-curing coating systems.

FIRE PROTECTION

We provide a tested and approved solution to your structural steel frame, which provides a thermal insultation barrier and high impact resistance. We also provide a complete firestop system for wall and floor penetrations.

CONCRETE

We have a wide range of concrete and masonry solutions from cementitious fairing coats and flowable, high build or structural repair mortars to concrete curing and grout solutions which are tailored for concrete structures across the Pacific.

PRODUCT SELECTION GUIDE*

	CAR PARK AREAS													
	Steel Columns	Concrete Columns	Facades	Joints	Top Decks	Intermediate Decks	Basement Decks	Ramps	Loading Bays	Service Areas	Concrete Slabs	External Drop Off Zones	Below Grade	Above Grade
Traffic Deck Systems														
Flowcoat OP						●	●							
Deckshield ID						●	●		●	●				
Deckshield ID Rapide						●	●	●	●	●		●		
Deckshield ED Rapide (MMA traffic coatings for exposed rooftop decks)					●			●			●	●		
Deckshield UV Linemarker (UV Stable Linemarking)					●	●	●	●	●	●	●	●		
Concrete Repair & Strengthening														
Euco Diamond Hard (Liquid densifier to seal bare concrete)						●	●		●	●	●	●		
Versaspeed LS100		●									●	●		
Sealants (Joints <25mm)

Protect, Repair & Transform Car Parking Facilities

Today, far from the grey utilitarian structures of the past, multi storey car parks are increasingly being recognised as pillars of the urban landscape offering vehicle owners a safe and welcoming environment to park as well as boasting a well-designed layout and high-end build quality.

From basement to roof-top decks, larger and brighter parking bays provide an increased sense of safety and security for vehicle owners alongside clear navigational markings and preferential parking areas for electric vehicles.

Tremco CPG Australia offers specification professionals working on the design of new-build or refurbishment car park structures a range of deck coating solutions, repair materials and fire protection solutions to choose from.

Refurbishment projects can benefit from utilising Tremco CPG Australia's extensive range of repair products to transform old structures or parking areas direct from one supplier, with one point of contact and under one manufacturer's warranty.
